Inside the Tape Training was established in 2001 at the request of law-enforcement agencies in the State of Maryland. Since that time, Inside the Tape has developed into one of the most thorough and requested homicide investigation training courses available to law-enforcement today. This training is open to any member of law-enforcement at the state, local and federal level. Medical examiner investigators and coroners are also encouraged to attend this training. This course has been established and developed to benefit those from all levels of experience in the area of homicide and suspicious death investigation.
